Aug 10	Astro REU Symposium	Students report on their projects (10am-4pm)
Aug 11	Solar REU Symposium	Students report on their projects (10am-4pm)

---

\* Note special time. Refreshments 10:45 am, talk at 11 am.

The Summer Colloquium series provides a broad introduction to the research going on at the CfA. Summer students and other junior staff are particularly encouraged to attend but all are welcome. Except as noted above, refreshments will be served at 3:30, followed by a talk at 4:00. All talks are in Phillips Auditorium.

For more information contact:
