Dear Sir/Madam:

The above student is applying for an NSF sponsored Research Experience for Undergraduates Summer Internship at the Smithsonian Astrophysical Observatory for Summer 2009. Our program is a 9 or 10 week program for undergraduate students interested in a career in astronomy, astrophysics, physics, or related physical sciences. Each Intern works with an SAO/Harvard staff member on a research project in astronomy/astrophysics, and is expected to prepare a paper and oral presentation discussing her/his results. Interns also attend lunch discussions and a summer colloquia series. For more information about our program, see our website at <http://hea-www.harvard.edu/REU/REUmain.html>.

Please send your letter of recommendation by **US Mail** postmarked on or before **February 2, 2009** to:
