September 17, 1998

VITA

MARTIN S. ELVIS
Senior Astrophysicist

1. Education:

Bristol University, B.Sc., Physics (1973)
Sussex University, M.Sc., Astronomy (1974)
Leicester University, Ph.D., X-ray Astronomy (1978)

2. Positions Held:

1977-1978	Research Associate, University of Leicester
1978-1980	SRC Postdoctoral Research Fellow, University of Leicester and Harvard-Smithsonian Center for Astrophysics
1980-	Associate, Harvard College Observatory
1980-1993	Astrophysicist (Trust), Smithsonian Astrophysical Observatory
1989-1998	Lecturer, Harvard College Observatory
1993-1997	Astrophysicist (Federal), Smithsonian Astrophysical Observatory
1997-	Senior Astrophysicist (Federal, Senior Level), Smithsonian Astrophysical Observatory

3. Professional Appointments: (*see Section 8 for detailed responsibilities*)

1977-1978	Scientist, Ariel V Sky Survey Instrument Data Analysis.
1978-1981	Scientist, Einstein Observatory Mission Operation and Planning.
1981-1983	Scientist, Einstein Observatory Data Processing System.
1984-1991	Senior Scientist, Einstein Observatory Analysis System.
1991-	AXAF Science Center Science, Science Data System Group Leader.
1996-	XMM Survey Science Center, Associate Scientist.

4. Publications: (*see Bibliography for details*)

Over 100 papers in refereed journals;
Over 70 conference reviews and articles;
Over 50 published conference abstracts.

5. Professional Societies:

International Astronomical Union
Fellow of the Royal Astronomical Society
American Astronomical Society
