

Different Roads
Paul Green

D F#m G Em
The day that I met you, you laughed in my face.
G Em G A
And I knew to stop looking all over the place,
D F#m G Em
for blue eyes so warm with the light of a fire
G Em G D
that's calming the storm while I'm walking the wire.

CHORUS:

A G F#m G
Have you left me behind, did we take different roads? [Geo whole notes]
A G F#m G D [Bill fingerpick]
Will all that I find turn pale in your glow?
Bm A G D A
Call me, anytime you want, any time. [Geo strum] \

Bm A G A triplets
Even if I'm busy, I'll have nothing to lose. [Bill strum] /

D F#m G Em
Life had me enraged, my job had me blue.
G Em G A
But you said that peace was all you ever knew!
D F#m G Em
Well the troubles I've seen don't amount to that much,
G Em G D
but if I was green, you could see it as such.

CHORUS

B- A Em A
It just seemed to me we were meant to be

FIDDLE (verse)
MANDO (1/2 chorus)
GUITAR (1/2 chorus)

D F#m G Em
A spark in the air that can kindle a flame...
G Em G A
if the wood is all gone disappears just the same.
D F#m G Em
Well, I guess that we both lost, I guess we both won.
G Em G D
Now we'll go our two ways like we shoulda done.

CHORUS

B- A Em
It just seemed to me we were meant to be...
